**KEYNOTE  
SPEAKER**

**Keynote presentations  
tailored to meet the unique  
needs of your audience:**

“My job is to crack people open to possibility,  
to help them understand their own power,  
and to make them laugh. When you combine  
truth with joy, that's when real  
transformation happens.”

# LISA'S IMPACT

Lisa's super power is her ability to change the way that people think. Delivering hard realities in a soft way. Combining relatable humour and powerful action - people leave Lisa presentations with tangible takeaways that they can use straightaway.

Lisa has written seven books and has twenty years of experience helping humans to be better. She speaks about energy, leadership, change, wellbeing, sales & customer experience.

Every audience receives a bespoke presentation that meets the room where it is at, addressing the problems and concerns of the industry or organisation.

Lisa loves working with Real Estate, Education, Healthcare, Administration, Franchises, Trade & Construction, Tourism, Retail, Finance & Insurance.

**RELATABLE:**

Having been raised in small town NZ I have experienced and mixed with a wide range of people and cultures.

**EXPERIENCED:**

Lisa has been a professional speaker for over 20 years. Speaking to large rooms of 5000 people

**HILARIOUS:**

With an excellent sense of humour Lisa has a rare ability to crack people open and deliver heavy hitting messages with lightness. Having witnessed the power of humour, Lisa likes to relax and engage rooms with relevant story telling and examples from real life.

**“Transforming  
and energising  
large audiences  
is my favourite  
thing to do!”**

# LISA'S TOPICS

## EVERYTHING YOU WANT

Everyone wants a life where you have the freedom to do what you want, where you are surrounded by people you can trust and you have the energy you need to get things done. The secret is taking control of what you can and taking small daily actions to live well.

There are six foundations that we need to address to live this way. Lisa is passionate about people leading big happy magnificent lives. She has unpacked what is required and will teach immediate hacks that will change the way you live.

## LEADING YOURSELF TO LEAD OTHERS

Leadership is less about what you are doing and more about who you are being. Being the best version of yourself is essential if you want people to follow you. Lisa has taught 1000's of people to learn how to be the best version of themselves. The combination of awareness and intention is required. This keynote is designed to inspire leaders into action, to acknowledge their superpowers, to identify their key areas for growth and to step into the leader they need to be.

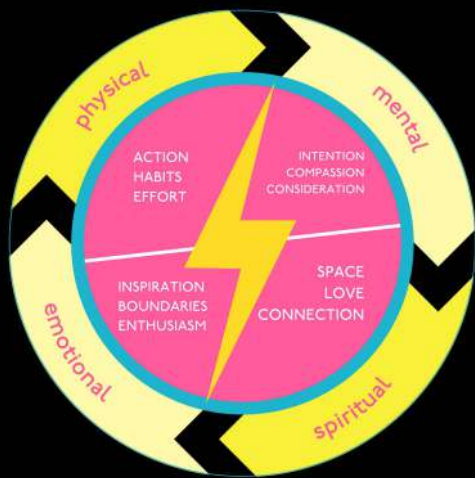

# TURN UP TURNED ON

Taking responsibility for your role and your team is a huge part of leadership. Standing up, making yourself visible and showing up as some who can be relied upon are the entry points of leadership. Having the courage to speak up and the commitment to who you are becoming are vital for your own growth as a leader and improving your organisation.

# ENERGY IS EVERYTHING

We live in a weird world! Our energy is scattered, and we are being pulled in so many directions. Maximising our life force is our most important job. Energy is the essence of our existence and yet we waste it in so many ways.

Helping people to understand their precious life force is Lisa's favourite work.

Helping individuals, leaders and teams to become more aware of their energetic plumbing. Their blockages, the drains and the leaks! If you are interested in exceeding your customers expectations, leading your team to greatness and being as effective as possible in life then your energy is the first place to start.

# COMMITTED TO EXPERIENCE

Experience is the most important currency in business. The experience of your customer, your staff, your product and of YOU!

Understanding and appreciating the importance of experience is something Lisa is incredibly passionate about.

Twenty years of sales and service experience combined with an obsession with designing client experiences - Lisa is the perfect person to get people committed to care. Smart business owners and leaders understand that committing to their people, their brand and the experience of them is super important.

All keynotes are tailored to suit the organisation, the event objectives and the audience. Messages from different topics can also be combined for one keynote.

# LISA'S FEEDBACK

“ Value Overload. You nailed it. A few days on and it's still being quoted and talked about, and most importantly used, it was the right tonic and energiser at the right time.

- Chris Quin, Foodstuffs NI

“ The team absolutely loved it, they have all been raving about it today! It was perfect content and timing for the team and of course Lisa's delivery was unreal!! A few words that have continued to be mentioned about the session - Energetic, Relatable, Entertaining, Funny, Engaging, Colourful in personality and content, straight to the point, Reinvigorating, a kick up the ass that I needed, so many take aways, Best speaker I've heard.

- Richard Withy, Ray White

“ Not only is Lisa a fantastic presenter she is also a generous one. She remains fully in the moment throughout her session, she adapts & modifies her approach to suit the audience. Lisa's preparation & engagement prior to the session is totally professional - she wants to get it right for you & she goes the extra mile to make sure she delivers on her brief.

- Jill Bond, Kindergartens Association
